For the purposes of this attestation, participants are considered “fully vaccinated” two weeks or more after they have received the second dose in a 2 - dose series (Pfizer - BioNTech or Moderna or vaccine authorized by the World Health Organization), or two weeks or more after receiving a single - dose vaccine (Johnson and Johnson/Janssen). Please select the statement below that accurately describes your vaccination status:

I certify that I am fully vaccinated and have received my second dose of the Pfizer or Moderna vaccine or single dose of a Johnson & Johnson vaccine at least 14 days ago.

I certify that all individuals from my team/organization who are participating in the San Diego Crew Classic:

- Are fully vaccinated and have received their second dose of the Pfizer or Moderna vaccine or single dose of a Johnson & Johnson vaccine at least 14 days ago;
- Have completed a negative SARS-CoV-2 test in the last 1 day for an antigen test or 2 days for a PCR test.

I have not been fully vaccinated.

I decline to answer whether I have been vaccinated.

I certify that I qualify for a medical or religious exemption and have not received a COVID - 19 vaccine and/or booster, nor do I plan to.

If you decline to provide information about your vaccination status, we will assume you are unvaccinated for purposes of the competition. I declare that this statement about my/our vaccination status is true and accurate. I understand that knowingly providing false information on this form may subject me and my organization to administrative action and/or criminal penalties. I understand that I may be asked to provide supporting documentation to this effect immediately upon request.
