GREETINGS FROM AMERICA'S FINEST CITY

Happy New Year! 2023 is here, which means that this is the year we celebrate the **50th Anniversary of the San Diego Crew Classic!** We've asked you before, and we're going to ask you again: we could use your help! We will be continuing our anniversary Time Capsule tradition and need suggestions for what to include in it. This year we will be opening the time capsule made at the 25th San Diego Crew Classic, which includes a program signed by Gregory Peck! **What should go in to the 50th Anniversary capsule?** If you have ideas that represent the regatta, the state of the rowing community at large, or just the times we are living in in 2023, please share them with us!
