GREETINGS FROM AMERICA'S FINEST CITY

Happy Monday - we're in the final few days of summer, so hopefully you're making the most of it! We have been working on lots of plans here in the office, including some exciting changes to the 2023 San Diego Crew Classic grounds that we hope will provide everyone with an even better regatta experience!

All of our work over the next few months will be to create a truly remarkable regatta in 2023, which will be the 50th San Diego Crew Classic! To properly honor and celebrate this epic milestone, we are working on creating a historical tent for everybody to enjoy at the upcoming regatta - and we could use your help! If you have any San Diego Crew Classic memorabilia, documents, or photographs that we can share in the tent, please email them to our Media and Marketing Coordinator-Hannah Broadland-[here](#). All decades 1970s-present are welcome!

Do you have more photos like this--or are you in this photo? We want to hear from you! This is the original Crew Classic starting line on the north end of Mission Bay (1973).

2023 Row for the Cure

The 2023 Row for the Cure is on and will be held at Mission Bay on **Saturday, October 8, 2022**. Events will be offered in Junior, Collegiate, Open and Masters categories across all boat classes.

The San Diego Crew Classic Foundation has contributed \$2500 to the regatta, matched by a second \$2500 gift from the Considine family--a long-term supporter of the San Diego Crew Classic. Which means: **every dollar raised by our participants up to \$5000 will be matched this year!** If you are interested in donating or fundraising to support the breast cancer community in Southern California you can do so [here!](#)

[Registration](#) opened on **September 1st** and closes on **September 30th**.

We hope you see you there!
