Congratulations to Endeavor Racing Alliance for winning the Cloud 9 Shuttle Trophy!

This event - the Masters Women's E 8+ category - was our 77th race of the 2023 regatta. The Endeavor crew won with a time of 07:35.774, narrowly ahead of 2nd place with a margin of 2.063 seconds.

Go Endeavor!!!

This trophy is in honor of Kearney Johnston, a San Diego Rowing Club member back in 1930. He was an avid rower and continued racing through the age of 92 - incredible!

****P.S. -** On last month's issue of The Classic, we congratulated Texas Rowing Center on winning the Women's Masters B event. We mentioned the stroke seat listed on Regatta Central (Krista Schmidt), but the boat was actually stroked by Tracy Falkenthal. ******

**Here's your reminder to register for A Long Talk About The Uncomfortable Truth on:
*September 26th and October 2nd from 7:00 - 9:00 pm PST***
