Also, heres your reminder that **The Boys in the Boat**, directed by **George Clooney**, will be released in **2 days - December 17th, 2023!**

---

Enjoy some **beachfront ice skating** at the famous Hotel del Coronado, in support of Make-A-Wish® San Diego. The venue will stay open through January 1, 2023--including availability on Christmas Eve, Christmas Day, New Year's Eve, and New Year's Day. Not into skating? Guests are also able to reserve the rink-side or ocean-side Frostbite Lounge, featuring comfortable seating, warm fire pits, holiday decor, and festive food!

### 2023 Bowl Bash

The DIRECTV Holiday Bowl will be hosting the Bowl Bash in downtown San Diego for the second year in a row. Swing by to enjoy free family fun including live music, food, giveaways, a Battle of the Bands featuring local musicians, interactive games, food specials, and a chance to see the DIRECTV Holiday Bowl Trophy.

### Dr. Seuss at the Old Globe Theatre

The Old Globe Theatre is bringing back the whimsical musical adaptation of Dr. Seuss's *How the Grinch Stole Christmas!* for its 26th year, featuring beloved songs from the classic story and transforming the theatre into a magical, snow-covered Who-ville for a festive holiday celebration.

**Congratulations to Redwood Scullers for winning the Women's Youth 4x  
(for the second year in a row!)**

This crew had two boat lengths of open water by the time they crossed the finish line in the Grand Finals, earning a time of **7:24.94**. Their stroke, **Olivia Petri**, represented Team USA in the single sculls at the 2022 Under 19 World Rowing Championships. We can't wait to see this team competing again at the 2024 San Diego Crew Classic!

**Gooo REDWOOD!**

Concept2 isn't just a fitness company - it's a tight-knit community that fosters connection and social responsibility.

Rooted in their love for rowing, Concept2 built an inclusive space where users become members, supporting each other in challenges and training on the Indoor Rower, BikeErg, and SkiErg.

Their commitment to equality, integrity, and a positive work culture extends beyond their products, driving charitable efforts focused on their training facility in Vermont - one that has supported many rowers on their journey to representing Team USA!

**Join Concept2 on their 2023 Holiday Challenge** by accumulating either 100,000 or 200,000 meters on the Indoor Rowing, SkiErg, or BikeErg (BikeErg meters are counted as half when applied to the challenge) by December 24th, 2023. You're welcome to complete all the meters on one machine, or use a combination of the three. Meters must be uploaded by January 4th, 2023 - let's get to work!
