## GREETINGS FROM AMERICA'S FINEST CITY

---

**We raised over \$2000 at the 2024 Pride Sprints Regatta!** That's double what we raised last year, and we can't wait to see that number continue to grow as we continue to host this event. This money was donated to the Trevor Project, and will go towards providing information and support to LGBTQ+ youth.

*Thank you to all who participated, and we hope to see you again next year!*

***Volunteer for the 2024 Southwest Masters Regional Championships!***

We still have launch driving, stake boat holding, and on-land operation volunteer slots available for the regatta ***this weekend***, and could use all the help we can get! If you are unable to participate, we would greatly appreciate it if you reached out to your communities and encouraged them to volunteer. Family, friends, and Junior-aged athletes are all welcome, *no rowing experience needed!*

***Thank you for your effort in making this a great event for us all!***

**Congratulations to the University of California, Santa Barbara  
for winning the Women's DII/DIII/Club Collegiate Novice 8+ and  
ACRA Women's Collegiate 8+ Invitational!**

The 2024 San Diego Crew Classic marked our first year hosting both a Men's and Women's ACRA Collegiate 8+ Invitational. The women's event was an incredibly competitive race, with first and second place being only .38 seconds apart, and third place still making contact through the finish line. Led by senior coxswain and team Vice President **Megan Kievman**, UCSB secured their win with a time of **7:29.498**. Later on that weekend the team snagged their second win in the Women's Novice 8+ event with a margin of over 40 seconds and a time of **8:05.157**.

***Go Gauchos!***
